WE REINVENT BUSINESS AND TRANSFORM LIVES

ABOUT US

Enlightened Capitalist, a division of World Incentive Network Inc (WIN), promotes business reinvention to create tomorrow's business today - a business which is good, does good and does well.

Our global community of enlightened individuals intends to make a large positive impact on our planet, society, communities, and individuals by leveraging the power of a healthy, wealthy and sustainable business.

Enlightened Capitalist is a movement, an association, a community and it's a tribe of dedicated members who are making positive ripples of impact by focusing on people, planet, purpose, performance, and profit.

Enlightened Capitalist fulfills the roles of the connector, marketer, educator, advocate, community organizer and additional voice for our members.
